In addition to these actions freezing discretionary payments, I have proposed in my Budget for Fiscal Year 2011 a salary freeze for senior political appointees throughout the Federal Government. Unlike the administrative action I have taken today in this memorandum, my proposed salary freeze requires legislation, so it cannot be implemented absent legislative action by the Congress.

I appreciate the hard work of our Federal workforce, and understand how important these payments can be to many workers and their families. Yet like households and businesses across the country, we need to make tough choices about how to spend our funds.

This memorandum shall be carried out to the extent permitted by law and consistent with executive departments' and agencies' legal authorities. Nothing in this memorandum shall be construed to affect payments or salary adjustments for Federal employees who are not political appointees. This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

The Director of the Office of Management and Budget is hereby authorized and directed to publish this memorandum in the *Federal Register*.

Presidential Determination No. 2010–11 of August 10, 2010

Continuation of U.S. Drug Interdiction Assistance to the Government of Colombia

Memorandum for the Secretary of State [and] the Secretary of Defense

Pursuant to the authority vested in me by section 1012 of the National Defense Authorization Act for Fiscal Year 1995, as amended (22 U.S.C. 2291–4), I hereby certify, with respect to Colombia, that (1) interdiction of aircraft reasonably suspected to be primarily engaged in illicit drug trafficking in that country's airspace is necessary, because of the extraordinary threat posed by illicit drug trafficking to the national security of that country; and (2) that country has appropriate procedures in place to protect against innocent loss of life in the air and on the ground in connection with such interdiction, which shall at a minimum include effective means to identify and warn an aircraft before the use of force is directed against the aircraft.

Title 3—The President

The Secretary of State is authorized and directed to publish this determination in the *Federal Register* and to notify the Congress of this determination.

Notice of August 12, 2010

Continuation of Emergency Regarding Export Control Regulations

On August 17, 2001, consistent with the authority provided to the President under the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), the President issued Executive Order 13222. In that order, he declared a national emergency with respect to the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States in light of the expiration of the Export Administration Act of 1979, as amended (50 U.S.C. App. 2401 *et seq.*). Because the Export Administration Act has not been renewed by the Congress, the national emergency declared on August 17, 2001, must continue in effect beyond August 17, 2010. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing for 1 year the national emergency declared in Executive Order 13222.

This notice shall be published in the *Federal Register* and transmitted to the Congress.
